7.3 The Performance of the Institution in One Area Distinctive to its Priority and Thrust

'NIRDHAN CHHATRA' (POOR STUDENTS COMMITTEE)

The College is situated in the heart of city, Aliganj and on the busy road connecting the Charbagh and south eastern areas to the north eastern trans-Gomti area of Lucknow. Aliganj is the second largest residential area in Lucknow after Indiranagar and is known for employment opportunities, government offices, popular residential areas, Engineering College, New Lucknow University campus and busy traffic. The situatedness of the college is both opportunity and challenge.

This institution is very distinct from others in though it has very limited resources and infrastructure, still it tries to cater to its students who are coming from mostly the lowest and weakest section of society that is the very poor students in a very big way. College is trying to create a 'NIRDHAN CHHATRA' (POOR STUDENTS COMMITTEE) for the last many years which identifies poorest students of U.G. and P.G. and then they will be helped financially by the college. Thus poor students education is greatly facilitated by these endeavours of our college. This practice will be very fruitful and successful as by this the goal of our college of giving good quality education to all students especially the poorest will be achieved.

The institution is distinct as it tries to keep itself abreast of all improvements, innovations and latest technology and methods of teaching inspite of its infrastructure limitations. It tries to bring out the best performance always right from the teachers, staff, percolating down to the students. This practice is very fruitful and successful as by this the goal of our college of giving good quality education to all students especially the poorest has achieved its pinnacle of success.
