**Dr. Rajeev Yadav**  
Co-Organising Secretary

**Mr. Arvind**  
Co-Organising Secretary

## Concept Note of National Workshop

It is true that India has one of the largest and diverse education systems in the world. Privatization, widespread expansion, increased autonomy and introduction of Programmes in new and emerging areas have improved access to higher education. At the same time, it has also led to widespread concern on the quality and relevance of the higher education. To address these concerns, the National Policy on Education (NPE, 1986), the Programme of Action (PoA, 1992) and NEP 2020 have spelt out strategic plans for the policies, advocated the establishment of an independent National accreditation agency. Consequently, the National Assessment and Accreditation Council (NAAC) was established in 1994 as an autonomous institution of the University Grants Commission (UGC) with its Head Quarter in Bengaluru. The mandate of NAAC as reflected in its vision statement is in making quality assurance an integral part of the functioning of Higher Education Institutions (HEIs). Apart from this aspect in higher education the various regulations of UGC have framed the guidelines for quality enhancement in respect of appointment and promotion of college and University teachers. In light of this objective the Career Advancement Scheme has been designed. In reference with higher education institutes accreditation by NAAC, Bangluru and CAS many challenges are faced by institutions and teachers.

In view of these challenges and finding some conclusive solutions NAAC committee and IQAC, Netaji Subhash Chandra Bose Government PG College, Aliganj, Lucknow organizes Three-day Online National Workshop on "NAAC and CAS in Higher Education: Challenges and Solutions " on 25, 26 & 27 August, 2022.

You are cordially invited to register, participate and be part of brain-stroming sessions.
