4.1 & 4.3 Teachers use ICT enabled tools for effective teaching-learning processes

Netaji Subhash Chandra Bose Govt Girls P G College encourages intensive use of ICT enabled tools including online resources for effective teaching and learning process to its students, faculty, and research scholars to ensure quality education and requisite support. Faculty prepare lectures on important topics which are produced and recorded by themselves available for students online. The use of ICT by faculty in classrooms apart from enabling students to keep pace with the contemporary digital and virtual world has helped Netaji Subhash Chandra Bose Govt Girls P G College to create a student-centric learning approach. YouTube, E- mails, WhatsApp group, Zoom, and Google Meet are used as platforms to communicate, provide material and syllabus, make announcements, conduct tests, upload assignments, make presentations, address queries, mentor, and share information. Internet and Wi-Fi facility are made available to all the Netaji Subhash Chandra Bose Govt Girls P G College Campus. College website carries as web-link for e-content/study material of different courses and subjects, so that their learning can be strengthened and made effective. The library also provides access to books and online journals freely available on soft-granth and infibnet. Each faculty member is necessarily required to upload students' internal and end term assessment marks of the course. On the other hand, the students' get all their academic information on the college portal. The students are also required to provide online feedback on the curriculum and teaching-learning environment on every course in every year.

E-Content- Demand of Prevailing situation-COVID-19

Amidst lockdown, direct teaching and learning is not possible, so faculty members are uploading study material related to their subjects, which is a requisite of the prevailing situation of COVID-19. The concerned faculty members are solely responsible for the facts, contents and views expressed in their e-study material and college (Netaji Subhash Chandra Bose Govt. Girls P.G. College, Aliganj, Lucknow) is, in no way, responsible for that. Copyright clearance is the sole responsibility of the faculty members for their contribution. No commercial use is allowed for the attached e-study material by the college and is authorized only for teaching and learning purposes. The content has been provided by faculty members and the college for the convenience of students who are advised to study from home in the current situation.
