## **Paper-XVIII Fieldwork/Project/Field Trip(Internship) (SOC IN-301)**

### **Objectives:**

Research skills/ Practical skills are very important for sociological analysis. Through this course, in addition to the theoretical input, an opportunity is given to the students to acquire research skills by undertaking a research project as a part of the academic activity. This course will help to:-

1. Develop the ability to conceptualize, formulate and conduct simple research projects.
2. Learn to assess the research studies and findings.
3. Develop the skills for library work and documentation for research.
4. Develop favorable attitudes for the integration of research and theory.
5. Develop logical thinking and critical analysis.
