## Student Feedback Report

Session: 2020 – 2021

Student feedback is continuously becoming a widely used method to evaluate and improve teaching effectiveness. It also allows the teachers to sort out the problems of the students and in addition, facilitates learning by making required adjustments. Even minor changes can make in a huge difference, with this motive in mind, students feedback was taken vis a vis their perception of syllabus, teaching methodology, improvements, suggestions etc. Feedback was qualitative in nature.

A large number of students have emphasized on the need of a college canteen, cleanliness in the washroom and near the area of drinking water. Many students emphasized upon the need of new books in the library as per the revised syllabus and requirement of sports ground for carrying out sports activity. Need of more classrooms for conducting post graduate classes was also stressed. Student's suggestion with certain faculty members with regard to methodology of teaching also came to light.

Need to balance student-teacher ratio

NA

More PG departments need to be developed

College needs well developed system for drinking water and washroom for students as well as faculty members

M.com and PhD should be introduce in colle curriculum

Variety of journals and plagiarism software is needed in library

More financial support needed for our college for make labs of research level and for ICT facilities.

Lab assistant is required , strong wifi connection in pg block and more research journals and recent books in l the library.

More freedom to institution to individuals(studentand teachers)) in a liberal education perspective as mandated by by NEP-2020 for effective execution.

College needs lots of improvment such as pure water for drink behavior and language of students not good

No

Nothing to disagree

In my suggestoon if the library is on the ground floor, then every one will be able to make good use of it in an easily accessible way..

More academic collaboration should be there

More faculty members and lab/support staff is required
