Economics Council

« The Student Council Meeting's primary objective is to emaciate some massive challenges faced by the Students

« This meeting is held almost twice or thrice in a semester. This is done to gather some gargantuan amount of issues which are meant to be solved in the meeting

« The meeting has been numerous times in the past two academic years and some real comforting decision has been made with many contentions

« These are the viabilities for the students, so they could do better in their academic and non-academic performances with versatility and in placements
